Discover the value of high-quality printing in an ultra-small design

Your space is limited — but your printer doesn't have to be. The lightweight RICOH® Aficio® SP 100 e monochrome printer delivers crisp, professional-looking output for users in the smallest workspaces, with the slimmest budgets. With its incredibly thin design, it can be placed virtually anywhere to print general office documents, including letters, spreadsheets and reports quickly and cost-effectively. It's an affordable system that offers an economical cost-per-page for immediate and long-lasting savings.

Value your workspace

The ultra-small Ricoh Aficio SP 100 e offers users an up-close look at reliable functionality. Its thin frame and sleek design are convenient for small offices where desktop space is at a premium. The small footprint is unassuming, but its productive performance is undeniable. It comes standard with a 50-sheet paper tray that supports a wide range of paper stocks and sizes up to 8.5" x 11" and is packed with easy-to-use capabilities to accommodate most personal printing needs.

Value higher quality

Produce a wide range of professional documents with speed and efficiency. This printer offers an incredible first print speed of 13 seconds or less and can print up to 13 pages per minute with outstanding 1200 x 600 dpi resolution. It includes 16 MB of memory for quick document processing that keeps your workflow moving. An all-in-one print cartridge can be replaced in seconds for fast, convenient maintenance. Plus, Toner Save Mode reduces costs by limiting toner use for specific documents.

Value your time

The Ricoh Aficio SP 100 e offers user-friendly capabilities that can improve productivity for light-volume printing environments. This affordable solution is easy to set up and operate, with a high-speed USB 2.0 interface for convenient desktop installation. The Smart Organizing Monitor utility is available via download for quick, easy access to critical system information, including settings, reports, toner levels and status updates.
